

## RECAP OF THE SUCCESSFUL iFLOWS 2-DAY PLENARY MEETING AT INOV IN LISBON

### We are Delighted to share with you the Highlights

of our 2-day plenary meeting that took place on 8th and 9th November, where INOV hosted us at their premises in Lisbon. The event was a success, with productive discussions, valuable insights, and strategic planning sessions.

**The primary objective of this plenary meeting was** to review and discuss the progress of the iFLOWS project. We explored the next steps required to upgrade threat detection and improve security in courier and postal services.

**The meeting kicked off with opening remarks from our project coordinator, Thomas Staffenberger,** emphasizing on the significance of our collective efforts, highlighting the goals we aim to achieve.

**Our team members presented updates on the advancements** made so far, sharing valuable insights and exploring the next steps, potential challenges, and strategic initiatives that will drive us towards success. One of the highlights of the meeting was the in-depth discussion on the future roadmap of the project.

**PLEASE STAY TUNED FOR FURTHER  
UPDATES & ANNOUNCEMENTS!**
